*Ruritan National Convention
Raleigh, January 2012
Don't Miss This One!*

We Care - We Share - We Are Ruritan!

As I reflect on this year, I want to thank you for the opportunity to work beside and with you as your Ruritan National President. During the past two years, I have witnessed and taken part in visits, events, and communication with our membership. I have heard your passion and pride when speaking with members about their projects and their impact on the community. I have experienced your joy as you welcomed in a new member or saw a new club being formed. I have felt the community pain of losing a club that has served the citizens for 40 to 50 years. It is hard to image what benefits those communities will miss.

2011 Ruritan
National President
Jayson Duncan

I have watched with pride as you accepted a more diverse membership to fulfill your community goals. The new energy and opportunities that come from new members is a real plus to a club. Yes, you, the club member, are the heart and soul of the Ruritan organization.

As the club year ends, I suggest you do a club evaluation. Have you accomplished all plans and ideas you started the year with? There should be a collective pride in what your club has accomplished. **Teamwork Makes the Dream Work!** I am excited about the future of Ruritan because I see what you are doing!

I have always started my talks by "thanking you" for giving your time, talents, energy, monies, and efforts through Ruritan to make your communities better places to live. These efforts also make our country and world a better place for us to live in.

Gail and I would again like to say, "thank you", for

your friendship, fellowship, hospitality, and great meals as we visited your clubs and districts.

Now the work begins. Because you are smart enough, talented enough, industrious enough, loyal enough, and dedicated enough, you will continue the goal of making your club and our organization better and stronger. By putting your best foot forward you will meet the challenges that we encounter because We care - We share - We work - We are Ruritan!

May God bless and guide each of us. God bless our troops. God bless America.

See you in Raleigh in January for the Ruritan National Convention!

Message from Executive Director Michael Chrisley

We Changed the Convention for YOU!

We heard you. Two years ago we conducted a convention survey. We surveyed hundreds of people who had never attended a convention and asked them what we could do to make our convention a meeting that they would consider attending. We also asked people who had attended multiple conventions to give us feedback about what we could do to make the convention better for them. Finally, we asked current and past leaders to give us their feedback about how to improve our convention.

This year's convention is different as a result.

You wanted the ability to pick and choose your meals and not be forced to purchase all meals as a part of the convention registration package ... this year you can. You can still buy the full package but you have choices. You wanted to be able to attend for less than the full convention in a meaningful way. This year you can. We have separated the convention into distinct parts ... education on Friday and business and elections on Saturday. You can choose to attend either day or both. We are still offering pre-convention activities on Thursday and post convention activities on Sunday. With the base registration fee you can attend these pre and post convention activities. We heard you.

These are only a few of the changes that you recommended. Please let us know how you like them. Raleigh is a great venue with a lot of opportunities for fun and fellowship. Come celebrate the successes of 2011 with us. For the first time this year, we will have a game room for you to fellowship, play board games, cards, dominoes, corn hole, ladder golf, and relax also. You know it will be fun!

We have a lot on the agenda for the convention. Several changes in the bylaws are proposed. We will elect new officers and directors. Your club deserves a voice. Please consider sending delegates and guests to the convention to take part in the business and have some fun to boot.

We know that your club has been working hard in the community to make life better for those who need you. The convention is an opportunity to get new ideas, learn new things (we have over 50 workshops scheduled for Friday), connect with others from all over the country, and make new friends. We hope you will be there.

Thank you for all the service you have provided this year. The community your club serves is better for it. Remember that more members means more service ... it's not too late to bring a new member into your great club in 2011.

Michael T. Chrisley, Executive Director

Hold Blood Drives to Recruit New Members

Has your club ever considered using your fundraisers and projects to recruit new members? Many clubs set up an informational table or displays when they conduct fundraisers. Those attending the fundraisers can see pictures of club activities and receive information about Ruritan membership. Ruritan brochures can also be put in take-out meals. (The brochures can be obtained by contacting Ruritan Supply.) Some clubs have printed business cards with information on when and where the club meets with a contact number to call for more information. The back of the card has a statement about the mission of Ruritan. The cards are given out at fundraisers.

Club-sponsored projects such as Red Cross Blood Drives can serve as excellent ways to recruit new members. People who attend blood drives are there because they want to help others. Use their desire to help others and share Ruritan with them. Clubs can greet those attending, thank them for their donation of life-giving blood, and share Ruritan. The National Growth and Development Committee feels so strongly about the possibility of using blood drives as a way to serve the community while recruiting new members that they are sponsoring a workshop on Friday at the Raleigh National Convention. The workshop will be led by Wayne Collins and David Edwards (pictured with the Red Cross Van), with the assistance of Jeff Hollingsworth from the American Red Cross/Fredericksburg, VA Office. They will outline how to conduct a successful blood drive. After their workshop, the American Red Cross will conduct a blood drive on site. Don't miss the workshop and the opportunity to donate blood in Raleigh. Consult your convention program for the exact time and location of the workshop and blood drive.

Kash (AL) Club is Off and Running Strong

Kash (AL) Ruritan Club, chartered earlier this year, has already had a strong impact in their community. With 37 members, the club has taken on several major projects. The club helped charter the Fabius Volunteer Fire Department, established a community watch program, and started a community vegetable garden. The garden is available for those in need of food as well as the local food pantry. Rudy Bears have been presented to Jackson County Sheriff, Chuck Phillips. During disaster relief efforts the club helped serve approximately 3,000 meals daily. Pictured are the youth members of the club.

Five Clubs Across Ruritan Recruit New Members

Delegates to Consider Three Issues in Raleigh

The following amendments to the Ruritan National Bylaws will be on the ballot in Raleigh. Below each action is a list of bullet points to help explain the reasons for the original motions.

National Dues: – The Board approved a bylaws amendment to increase Ruritan National dues from \$40 per year to \$44 per year beginning April 1, 2012. In the Ruritan National Bylaws, **Article XII, Section B** (under Fees and Dues) require a 2/3 approval by the convention delegates for this action.

- *The last dues increase was approved in January 2005 and was for an increase of \$2 a quarter or \$8 a year.*
- *This dues increase has sustained the operating budget for 7 years.*
- *The budget for 2011-2012 has a positive bottom line of only \$247.*
- *\$247 represents less than a hundredth of a percent of the total budget.*
- *An increase in the electric bill in 2012 could easily put us in a deficit in only one month.*
- *The staff has been reduced to 50% since 2005 when the last increase was approved.*
- *There is no more room to reduce staff.*
- *The 2012-2013 budget will have to include significant reductions in services to members to maintain a positive bottom line.*
- *The \$1 dues increase per quarter may only sustain the budget for two or three years.*

Convention Date: – The Board approved a bylaws amendment to leave open the time of year of the annual meeting known as the national convention. The motion amends **Article IV** of the National Bylaws to read: “Ruritan National shall hold an annual National Convention at which time the Officers, Directors and Foundation Trustees shall be elected. The date and place of the National Convention shall be determined by the Board of Directors.”

- *The initial decision to remove January as the mandated month for convention from the Bylaws was brought about by information received from the membership in their responses to our convention survey. Three groups were surveyed separately:
Past National Presidents chose June, April and May in that order.
Non Attendees chose April, May and June in that order.
Attendees chose April, May and June in that order.*
- *The survey was conducted because of the continuing decline in convention attendance over the*

last 20 years from a high of over 2000 to a low of 767 in Knoxville.

- *Removing January from the Bylaws does not require that the month for holding convention must change.*
- *We have contracts signed through 2016 and are working on 2017 for conventions in the month of January.*
- *Changing the convention from January to another month will not be arbitrary and would require that Ruritan would benefit from the change (cost would be a factor).*
- *The Board of Directors would not schedule a convention in May of one year and in October of the next...it is likely that the Board would test pricing for April ... May ... and June and then try to have conventions in the same month, April, May or June every year.*
- *Because of contracting, the first year that Ruritan would consider changing the month of convention would be 2018. This gives us six full years to make sure the transition is a smooth one.*
- *Changing the month of convention would not require a change in the clubs or districts operating year. We would still give awards, have training, celebrate successes, elect officers and decide Bylaws issues the only change would be the timing of presentation(s).*
- *With regard to National Officers and Directors, this change would only affect the sitting National President...possibly the Secretary and Treasurer (but only if the current officer is in their third and final year of service) and the seven outgoing directors. The Vice President would not be affected, 14 of the current directors whose terms will not be expiring will not be affected and the Secretary and Treasurer would feel no effect if they were in their first or second year.*
- *The districts would likely have a change in their assigned representative if there would have been a change upon the election of new officers and directors. Some directors are re-assigned to their current district even after elections. In that case there would be no change in service for the district or club.*

Delegates to National Convention: – The Board approved a bylaws amendment to **Article XII, Section A** to allow one club delegate for every 10 club members at the national convention with a minimum of two per club (instead of one per 20 as currently stated.) This brings the number of national delegates for each club in line with the number of district delegates allowed per club.

- *The Bylaws change allows for more delegates to the convention from clubs.*
- *It does not require that the clubs send more delegates to convention.*

USO-Style Ruritan Road Show Planned

The exact content of the finale of the 2012 Ruritan National Convention – the entertainment at the close of the Saturday Installation Banquet – is being kept under wraps by the convention co-chairs and 2012 National President Jayson Duncan.

2012 Co-Chairs Gary and Jimmy (1998 *National President Gary Taylor* and 2007 *National President Jimmy Bristow*) will only say that the USO style variety show – billed as the **Ruritan Road Show** – will feature the talents of actual Ruritan members with several surprises along the way.

Jimmy and Gary have revealed that the event will be emceed by Ruritan's own Jerry "Bob Hope" Ellis (pictured here in two of the outfits he plans to wear for the event in Raleigh).

Because Ruritan is focusing on the USO during the entire 2012 National Convention – the finale will be a tribute to the USO shows of the past.

Prompted by patriotism, and perhaps vaudevillian wanderlust, beloved entertainer Bob Hope kept touring for more than fifty years. Returning to his professional roots, he took his variety show on the road to entertain U.S. troops wherever those soldiers were stationed. Hope's variety shows for the troops included comedy monologs, specialty acts, celebrity appearances, dancers, singers, and skits. His mildly irreverent humor, teamed with his variety troupe's beautiful women, provided a welcome respite for the U.S. forces, a reminder, in Hope's words, "of what they were fighting for." The Ruritan version of the USO show promises to be equally entertaining. Don't miss it on Saturday, January 21, 2012, following the Installation Banquet in the Raleigh Convention Center.

The featured speaker for the Opening Ceremonies at the 2012 Ruritan National Convention in Raleigh will be Captain Tierian (Randy) Cash, a retired Navy chaplain and the current chaplain for the North Carolina American Legion. His assignments include: Chaplain, Destroyer Squadron Six, Charleston; Staff Chaplain, Naval Education and Training Center, Newport; Command Chaplain, USS Nashville in support of Desert Shield; Oceana Naval Air Station, Virginia Beach, where he was tasked to serve as Command Chaplain for the Joint Task Force, Guantanamo Bay, Cuba. He was selected for the Personnel Exchange Program with the Royal Navy in 1993. At Camp Lejeune, he served as Regimental Chaplain for 6th Marines 2nd Marine Division and Command Chaplain for the 26th Marine Expeditionary Unit and Assistant Division. He has also served as Deputy Director, Naval Chaplain School, Newport,

Ruritan Serviceman Praises Support of USO

Earlier this year 2011 National President Jayson Duncan heard by e-mail from LTC Eric Perryman of the **Prince George** (VA) Ruritan Club about the importance of the USO. LTC Perryman's comments helped cement President Jayson's desire to support the USO during the 2012 Ruritan National Convention in Raleigh, NC.

LTC Perryman can speak from experience about the impact the USO has on our U.S. military. While stationed in Iraq, Perryman observed, *"The USO is by far the best thing going for the soldiers and airman here at Joint Base Balad, Iraq. There are three large USOs here and provide free telephones, computers with Internet access, movies, wifi, video games, food, coffee, books, and magazines. They also have comfortable furniture and air conditioning. I have also spent many hours in the Atlanta, Dallas, and Indianapolis airports' USOs and they all provide a secure and comfortable place to wait for your flight during long layovers. As you know the food, drinks, internet, and comfortable furniture are greatly appreciated by not just travelling soldiers but by all eligible veterans and retirees. I can't think of a better organization that deserves the support of the Ruritan Clubs and American population than the USO."*

Ruritans Plans to Support USO

For the 2012 National Convention service project, Ruritan will be adopting the USO of North Carolina and the many service personnel and their families who benefit from the USO programs. In particular Ruritans will have the opportunity (on the registration form) to purchase \$7 **Smiles Over Miles** cards for soldiers. **Smiles Over Miles** is an easy-to-use, private video messaging platform that brings loved ones close together across any distance. For less than the price of a movie ticket, you'll be giving an entire family the opportunity to share those moments. The goal of the program is to give all active duty military service members the opportunity to have a free **Smiles Over Miles** account, compliments of corporate and individual sponsors. Each \$7 donation provides a service member and his/her family and friends with free service for a full year. In addition, attendees can make cash donations on their registration forms to be used for other important USO projects. Such projects serve the many men and women of the military who call North Carolina home.

Ruritan clubs and districts are also being asked to donate gift cards to grocery chains in the North Carolina area so that the USO can purchase important perishable items for their welcome centers. In addition to the **Smiles Over Miles** program and grocery card collection, attendees may bring energy bars and cereal bars, juice boxes that do not need to be refrigerated, Clorox wipes, paper napkins, Chinette bowls and plates, and tall white kitchen trash bags.

Handmade Greeting Card Workshops

In addition, LTC Perryman praised the selection of hand-made cards provided by the USO for the soldiers to send to their loved ones. *"I was able to send birthday cards, an anniversary card, and many 'missing you' and 'thinking of you' cards to my family members. Many of the cards were homemade by the Girl Scouts and were really cute."* Ruritans attending the 2012 Convention will have an opportunity to pitch in and make a selection of these cards that will be donated to the Raleigh-based USO during workshops scheduled for Friday afternoon, January 20.

Food Bank Contributions in 2011

At the Publicity and Public Relations booth in Raleigh, District Governors are asked to turn in totals of gifts in food and money made by clubs in their district over the past year to food banks. The Publicity and PR Committee will be totaling those amounts and announcing the largest donations by district. NOTE: Please make special note of any "back pack buddy" type donations for children.

Rudy Bears Still Needed!

As always, Ruritan plans to present Rudy Bears to fire, rescue, and hospital personnel in Raleigh during the 2012 National Convention. Consider purchasing bears to be given for that purpose or add them to your convention registration form.

The Foundation's newest fundraising program has just observed its 2nd anniversary. Participants in the program should send their DIME A DAY funds to the Foundation with a note of their name, address, club, district and the name of the fund being credited. 2012 Fellowship Event is a five-day cruise on the Carnival Fantasy out of Charleston, SC, on September 10, 2012, to Nassau and Freeport in the Bahamas and returning to Charleston on September 15, 2012. A \$250.00 deposit per person will be due by February 15, 2012. Each person will need a valid passport. It is suggested that you apply for your passport immediately as it takes some time to secure one. See the additional information in this magazine regarding this cruise and plan now to be a part of this fun and fellowship aboard the Bahamas Cruise in 2012. The Foundation Trustees at their meeting in September 2011 approved a new scholarship category that will be identified as **Non-Traditional Student Scholarship Fund**. Due to the near historical rate of unemployment, the Foundation Trustees are supporting a Non-Traditional Student Scholarship Fund. This fund targets those who have not attended school in several years and would benefit by attending a trade or vocational school to upgrade their skills for current or future employment. Application forms are available from the Foundation Office and must be received by the Foundation Office by April 1.

Many of the programs for both Ruritan and the Foundation have different dates to remember in order to qualify. One of those dates is the deadline for participants in the Build Your Dollar Scholarship Program. This requires a club to send in to the Foundation their \$300 qualifying deposit by September 1st. There has been some confusion thinking that date was October 1st, the same date as our Community Service Reports. The Trustees have changed the deadline date to send in the **\$300 qualifying deposit for the BY\$** from September 1st to **October 1st** beginning with the 2012-13 program year.

The 2012 Ruritan National Convention to be held in Raleigh, NC will feature the Foundation with our **Silent Auction, Workshops** on Friday, January 20, 2012, at 7am and 8 am, and the Foundation **Banquet** on Friday Evening with our **Live Auction** following the banquet.

Operation We Care (OWC): The Foundation started the fiscal year of October 1, 2010, with a Reserve balance for the OWC of \$86,260.37. During the fiscal year ending September 30, 2011, we received donations totaling \$94,169.90 and have responded to those sustained and reported losses from hurricanes, tornadoes, earthquakes, and other declared tragedies totaling \$144,566.25. This leaves a Reserve balance of \$35,864.02 for future and unforeseen requests.

Thanks for your PAST, PRESENT, and FUTURE support of your Ruritan National Foundation.

Fraudulent Bids Hurt the Foundation's Silent Auction

It has come to our attention that at the National Convention Foundation Silent Auction Ruritans will sometimes put a friend or fellow Ruritan bid number on an item as a joke. But these are jokes that backfire and these **fraudulent bids hurt the Foundation** in the end. For example, if you enter member John Doe's number and a bid for \$100 on an autographed football (thinking you are being funny or even hoping to drive up the bid) that discourages legitimate bids on the item. Then, when the auction ends and John Doe is asked for his \$100. If he says he never put that bid down, we take his word for it, and we don't charge him. The item then reverts to the next bid, which can be VERY low, or if there is no bid, the item is taken back to the National Office as "unsold." In the end the fraudulent bid costs the Foundation and ruins the generous intent of the donor of the item. Please, no matter how funny you think it might be to bid for another Ruritan, it is NOT funny. It hurts the Foundation. Please do NOT do it!

Ruri-Teen and Ruritan Youth -What's the Difference?

There appears to be some confusion about the difference between Ruri-Teen members and Ruritan youth members. A Ruri-Teen member is a youth that belongs to a Ruri-Teen club. The youth does not necessarily have to be a teenager, since there are Ruri-Teen clubs in middle and elementary schools as well as in high schools. A Ruritan youth member is a youth (up to age 19) that belongs to an adult Ruritan club. A Ruri-Teen member pays no national dues, however his or her club pays a yearly affiliation fee of \$100.

A Ruritan youth in a regular club pays \$15 annual (\$3.75 per quarter) national dues. There are also sssociate youth members, who pay the same dues as the regular youth member. These are youth who, for whatever reason, are not able to regularly attend meetings. An sssociate youth member can be older than 19 years of age as long as he or she is still a student in a college or trade school.

Copper Basin (TN) Ruri-Teen Club was chartered in October. The DRM is Westside (TN) Club member Pat Mulcahy.

There are two youth awards that are given at the club, district, and national level. They are the Ruri-Teen of the Year Award and the Rudy Youth Award. The Ruri-Teen of the Year Award is given to a Ruri-Teen member. The Rudy Youth Award is given to a Ruritan youth member. See the **Club and District Officers' Handbook** for details.

Members of college clubs are currently considered as Ruri-Teens with regards to membership statistics. A member of a college club pays no national dues, but the club pays \$150 as a yearly affiliation fee. As the number of college clubs grows, it is anticipated that they will have their own membership category and awards.

-- Ruritan Youth Committee

Youth Event Changes Name

The name of the Ruritan Youth Leadership Conference has been changed to Ruritan Youth Leadership Camp. This change is more indicative of what takes place during the camp at the W.E. Skelton 4-H Center at Smith Mountain Lake in Wirtz, VA. Conference by definition implies a formal meeting. The camp is anything but that. It is full of fun activities (mostly outdoor) that develop leadership skills, team building skills, and confidence. The camp is also fun for adult chaperones. The 2012 event will be held on July 13-15. Registration materials will be available soon.
