## A Legacy of Ruritan Service

Albert Schweitzer said, "I don't know what your destiny will be, but one thing I do know: the only ones among you who will be really happy are those who have sought and found how to serve." As Bill and I have traveled, we have met a very special group of Ruritans who have served our organization faithfully for fifty years or more. It has been a special honor to attend their club anniversaries and present fifty-year name

badges to these Ruritans.

Our fifty-year Ruritans have been active on the club, zone, and district levels. They proudly share their clubs' projects and the many fundraisers they have participated in over the years. Many have perfect attendance. One gentleman shared with me that when he thought he was too tired to attend, his wife would remind him of how much he loved his club and how close he was to fifty years of perfect attendance. He would then get dressed up and go. This same Ruritan had his entire family (even his daughter who drove from Florida) present to see him honored with fifty years of membership.

Clubs and families have honored many of our fifty-year members with a Ruritan Forever Endowment (see page 5 for the description of Ruritan Forever). They expressed what an honor this was for them and how happy their service had made them. They then proudly showed me their Ruritan Forever lapel pins.

What a legacy our fifty-year members have left for us! They share memories of past conventions, knowing Tom Downing and other early Ruritan leaders, and the joy of Ruritan service. They share a sense of purpose.

Another very special group of Ruritans I have observed in our Ruritan clubs are our youth members. They are learning how to serve with seasoned Ruritans. For some, becoming a youth member in a Ruritan club provided an opportunity to meet a community service graduation requirement. For others, membership is an opportunity to work with their mothers and fathers, uncles and aunts, or grandparents in community service projects. It is wonderful to spend time with these young people and to experience the happiness, excitement, and enthusiasm they have for Ruritan.

Many clubs award their "Build Your Dollars" Scholarship or other club scholarships to their youth members. Some clubs even honor their youth by making each youth member a Ruritan Forever. This means that even when they leave home for college or job opportunities, they will stay Ruritans for

## Message from Executive Director Michael Chrisley

# The Answer is in Your Hands

If you have had a chance to visit the website in the last few weeks you already realize that May was Ruritan Awareness Month. Ruritan has always been one of America's best kept secrets. Unfortunately, many of us believe that if we publicize our activities or service projects that we are "bragging" or trying to bring attention to ourselves for the services that we provide. As a result we end up "hiding our candle under a bushel" so to speak.

If you ask people who are not Ruritan members, most will tell you that they know Ruritan is a good organization, but if pressed, they find it hard to explain what we are or what we do specifically. We do good for the sake of doing good. We do good with pure intentions to help people and to make our communities better. Most people understand that. However, when those inside the organization don't tell people what we are doing specifically, they are left with a vague understanding of the impact that we have on people and the community at large. Don't be afraid to publicize the good things that your club is doing.

We have long known that an active club with a great program of service has little trouble recruiting members. When people can see your impact in the community, they will want to be a part of your group. You don't have to look any further than the pages of this magazine to see Ruritan at its best. The following pages are filled with the good things that we are doing in community after community to help people. Visit the website and look at all the ways you can publicize your club and the tremendous impact you have in your community. Just because May was Ruritan Awareness Month doesn't mean that you can't spread the word in the other eleven months of the year. Good things are happening all across the country in every season. Tell your neighbors about it.

One of our former national presidents tells the story of a young man who visits an old wise man. The young man has a bird cupped in his hands. The young man asks the wise man if the bird is alive or dead. The wise man knows that if he says the bird is alive the young man will crush the bird and if he says it is dead the young man will simply open his hands and release the bird. The old man in his wisdom says "the answer my son, is in your hands." If you think about Ruritan, and whether or not our communities know who we are and what we do, the answer is...it is in your hands. The same is true with regard to growth and recruiting. We can print all the information we have available, offer suggestions and strategies, and make motivational speeches, but in the end the answer is in your hands. The members of Ruritan, nearly 30,000 of us, should be disciples of who we are and what we do. The answer is in your hands.

A handwritten signature in blue ink, appearing to read "Michael Chrisley".

the rest of their lives.

I feel very blessed to be your 2012 Ruritan National President and have the honor to visit Ruritan clubs throughout America. From our fifty-year members to our youth members, our membership is enriching the lives of others. All are living examples that as Ruritans we are working together for a stronger America. Thank you for your dedication and service to Ruritan.

Note: "Ruritan Forever" is a plan for the payment of national dues by members who wish to make a long-term investment in Ruritan. The "Ruritan Forever" plan allows a member in good standing to pay \$600 and become a lifetime participant of our national organization. This Ruritan will receive a certificate, a permanent life card, and a lapel pin.

# Hold an Open House to Attract New Members

Attracting new members is always first and foremost on the minds of all Ruritan Clubs. Your National Growth, Development and Member Retention Committee is always looking for creative programs that can be used to grow, retain, and reclaim members. One such program, an open house, was planned by club president Martin Levering and held by the Great Bridge Club in the Holland District. It was held on a regular meeting night and the club also included local organizations that the club supports.

Club members were encouraged to generate a list of potential members to invite to the open house. Invitations were sent to the potential members asking them to visit the club and to learn more about organizations supported by the club through donations and volunteer hours.

Guests were greeted warmly at the door as they arrived. They were given a nametag and introduced to club members and zone, district, and national officers in an informal setting. While they were waiting for the meeting to begin, there was time to visit the display tables set up around the room. There was a table for each community service committee (Business and Professions, Citizenship and Patriotism, Environment, Public Service, and Social Development). The committee chairs manned each table. A photo display of the committee's activities was provided. Additionally, community organizations sent representatives along with brochures to explain how the organization functioned and how they needed community volunteers such as the Ruritans. For example: Social Development had a demonstration of how to knit chemo caps, information on a senior club, and a health care program for at-risk children.

There was a membership table with applications and Ruritan brochures. Club members manned the table to provide information and to answer any questions the guests may have had.

When the club meeting began, a warm welcome was given by the club president. "My Country 'tis of Thee" was sung and then "This Is Ruritan," a 10 minute video was shown prior to dinner being served. This was to enable the guests time to formulate and ask questions while enjoying dinner at their respective tables.

## Growth and Development News

The club chose to have a self-serve buffet instead of a plated meal. This allowed for a greater variety and greater quantity of foods since an accurate head count was not available. The club provided meats and members provided covered dish salads and desserts. Members were encouraged to invite guests up to the last minute.

A condensed business session was held after the meal so that potential members could get a feel for a typical business meeting. Announcements of upcoming events and fundraisers were made. The club also was thrilled to have a new member initiated that evening and assigned to a committee.

Throughout the meeting, there was fellowship as guests, potential members, and club members discussed the needs in the community and brainstormed ways to meet these needs through the local Ruritan Club(s).

A membership meeting such as the one just described can provide a breath of fresh air to a club. Potential members can learn about the club's projects and how they can serve their community through the Ruritan Club. Current members get feedback from potential members and learn of new ways to reach out to the community. This is a win-win situation for everyone.

Thank you for all that you do for your communities and for Ruritan. Please do all that you can to help grow Ruritan. If you wish to learn more about a membership meeting such as the one described above or would like additional information about growth programs, please contact a member of the Growth, Development and Member Retention Committee.

# Don't Miss These Special Trips and Events

In addition to the wonderful fellowship of a Ruritan National Convention – the 2013 gathering will feature of number of special side trips and events. All of the options are offered on the registration form, in this issue or found on the [ruritan.org](http://ruritan.org) website.

This would be a great opportunity to bring the family for an extended visit in Northern KY – get settled in town on Tuesday and take advantage of Breakfast with the Penguins at the wonderful **Newport Aquarium** on Wednesday morning. For \$30 you not only get a hot breakfast buffet in Sharky's Café, you also will have a biologist presentation about the penguins and a self-guided view of all of the exhibits – all before the aquarium opens to regular guests. Cost is \$20 for children under 12. Transportation to the aquarium can be by local trolley\* or by private car, as there is plenty of parking.

Another tour – on Thursday – will take attendees to the fabulous **National Museum of the Air Force** at Wright Patterson Air Force Base in nearby Dayton. The museum is the Air Force's national institution for preserving and presenting the Air Force story. Each year more than one million visitors come to the museum to learn about the mission, history, and evolving capabilities of America's Air Force. The museum is the world's largest and oldest military aviation museum featuring more than 360 aerospace vehicles and missiles on display amid more than 17 acres of indoor exhibit space. Thousands of personal artifacts, photographs, and documents further highlight the people and events that comprise the Air Force storyline, from the beginnings of military flight to today's war on terrorism.

Transportation to Dayton is by bus – admission to the museum is free-cost for the trip is \$25. Buses will depart from the convention center at 10 a.m. Thursday and return by 4 p.m. – in plenty of time for the Thursday **Ruritan Celebrates America** opening ceremonies. (Trip requires 40 attendees minimum.)

On Friday afternoon – Ruritans may choose to visit the Cincinnati Reds' **Great American Ballpark**. It may not be baseball season in January – but there are wonderful things to see on the ballpark tour (weather permitting.) The \$14 admission includes a visit to the Cincinnati Reds Hall of Fame and Museum. Transportation can be by local trolley\* or by private car.

*\*Trolley transportation is a wonderful way to get around Northern KY and across the river into Cincinnati. Purchase a three-day trolley pass on your registration form and it will be waiting in your registration packet when you arrive. (If you sign up for the Wednesday trip to the Newport Aquarium and order a trolley pass – the pass(es) will be mailed to you two weeks before the convention since you won't have gotten your registration packet by Wednesday morning's event.)*

## Projects for 2013 Include Operation Smile

The cities hosting Ruritan National annual conventions are always the recipients of Ruritan generosity. Each year hundreds of Rudy Bears are delivered to local fire, rescue, and police departments. In 2012, and again in 2013, Ruritan "stitchers" crochet and knit hundreds of caps for cancer patients to be given to local hospitals. Also, again in 2013, a Red Cross Bloodmobile will be a part of the activities

— offering Ruritans an opportunity to donate much needed blood to Covington, KY area blood banks.

In 2013 Ruritan will add a new charity focus to the giving surrounding the national convention — **Operation Smile** — a charity with a special meaning to 2012 National President Phyllis Lewter and First Gentleman Bill.

Founded in 1982, **Operation Smile** is an international children's medical charity that works in more than 60 countries and is based in Norfolk, VA. A secular non-governmental organization, the charity provides free reconstructive surgery for children and young adults born with facial deformities such as cleft lips and cleft palates worldwide, trains in-country doctors to help build self-sufficiency in developing countries, and works to reduce the incidence of cleft lips and cleft palates. To date, **Operation Smile** has provided two million healthcare evaluations and more than 200,000 free surgeries for children and young adults around the world. Each surgery is made possible at a cost of only \$240 because the doctors are volunteers who donate their time and talents to **Operation Smile**.

The Lewters' granddaughter Charlotte, adopted from Yang Chung, Guandong China, needed this important surgery when she came to her new home in the U.S. Charlotte is the daughter of Carla and Jay Lewter and while her parents' insurance covered the procedure for Charlotte — the Lewters' understand that many such children are not as fortunate.

*National President Phyllis and First Gentleman Bill were greeted by **Operation Smile** Co-Founder and President Kathy Magee (second from left) at the charity's headquarters in Norfolk as the first \$240 Ruritan donation was made. Also on hand was Charlotte Lewter, granddaughter of the first couple. Charlotte has had the same cleft lip and palate surgery provided by **Operation Smile** to children who cannot afford the procedure.*

**Operation Smile** exists for just that reason — for children who would not otherwise be able to afford the procedure. Charlotte's first surgery to close her cleft lip, which took 1 1/2 hours, was in January 2008 when she was 18 months old. A second surgery in June of that year closed her cleft palate. Two more surgeries accomplished additional facial reconstruction.

As with most children undergoing this process, she will require additional surgeries as she grows and matures.

Charlotte's mom Carla noted, "We had heard of **Operation Smile** before we adopted. Being that the national headquarters are based here, we see events and media coverage often. We contacted a volunteer nurse with **Operation Smile** once we knew about Charlotte to ask a few questions on feeding and such. Charlotte's surgery was not performed by **Operation Smile**; however, since she was adopted we were able to use our own medical coverage to pay for the surgeries. The team of doctors that worked with Charlotte at Children's Hospital of the Kings Daughters are the same doctors that work with **Operation Smile** and do amazing work, like what they performed on Charlotte. We loved all of the nurses and doctors we worked with. They are really top-notch."

Dr. Richard S. Rosenblum from Norfolk was one of those amazing doctors, who also has dedicated hundreds of volunteer hours to **Operation Smile**. In his youth, Dr. Rosenblum was one of the first students to participate on a medical mission with **Operation Smile** when he volunteered in the Philippines. After later attending the Medical College of Virginia in Richmond to further specialize in facial and cosmetic surgery, he completed a fellowship with **Operation Smile's** Co-Founder and CEO Dr. William P. Magee, Jr. and **Operation Smile** International.

## Get Your Hotel Room in Northern KY!

The Passkey lodging program for 2013 Ruritan lodging registrations for the two headquarters hotels – the Marriott RiverCenter and the Embassy Suites is now open and taking reservations. Both hotels are across the street from the convention center. The advantage of the Marriott is that it has a covered overpass to access the convention center. The advantage of the Embassy Suites is that all the rooms are two-room suites and there is a complimentary breakfast every morning and a manager's reception every evening! Please do not call these hotels directly. These rooms must be booked through Passkey and not with the hotels. To access the website, go to the Ruritan website (<http://ruritan.org>) and pull down the Member Resources option to 2013 Convention Lodging to get the link or to find printable lodging forms in both Word and PDF. These can be filled out and faxed or mailed in if you are not comfortable with on-line registration.

### Continued from page 11

In 2007, Dr. Rosenblum returned to the Philippines with **Operation Smile** during the World Journey of Smiles initiative, the largest medical mission of its kind.

Charlotte's parents are thrilled that President Phyllis and First Gentleman Bill have decided to focus on **Operation Smile** as a charity for 2012-2013 Ruritan giving. Carla said recently, "We think **Operation Smile** is amazing; they really give so many children a chance at a more normal life. We were blessed to be able to pay for Charlotte's surgery on our own, but know there are so many children in the world that would not have the surgery without the work of **Operation Smile**. I think it is a very worthy organization and Ruritan National will be changing many lives through this project."

*When Charlotte was adopted by Carla and Jay Lewter from Yang Chung, Guandong China in late 2007 she had a cleft lip and cleft palate that would require multiple surgeries. She is pictured here with her mom Carla around the time of her adoption.*

First Gentleman Bill Lewter has made the first donation to the Ruritan Operation Smile Fund - \$240 to fund one surgery. The **Ruritan Road** (VA) Ruritan Club, made up of many staff members at the National Office, has pledged a second \$240 donation. While each surgery costs \$240 – not all gifts must be that large. Donations of any size will contribute to surgeries for patients in the greater Cincinnati area and be added to the total gift from Ruritan to **Operation Smile**. "To think that \$240 could change the life of a child is amazing! \$240 is really nothing to many of us, but the difference it will make for a child is irreplaceable," Carla concluded. Donations may be made on your convention registration form. On hand to accept the donations in Covington, KY will be **Operation Smile** National Director for US Chapters, Lauri Catena.

*The Lewter's granddaughter Charlotte has had four reconstructive surgeries to repair her cleft lip and palate. As a result, her family understands how these procedures, provided for many children by **Operation Smile**, can make an enormous difference to a child's life and future.*

# Time to Consider a Donation to OWC

Dear Fellow Ruritans,

We are rapidly approaching that time of year when we enjoy outdoor activities with our families and friends. Unfortunately, this is also the time of year when we incur many natural disasters such as tornados, hurricanes, floods, earthquakes, etc. The loss of property and life can be truly enormous.

*Cleve Wright  
2012 Foundation  
President*

That is where our Operation We Care (OWC) Program comes into play. Last year we distributed over \$144,000 in disaster assistance in response to requests from the Roanoke, New River, Davy Crockett, Tennessean, and Georgia-North Alabama Districts. As a result, our available funds were significantly depleted. Hopefully, there will not be as great a need for assistance this year. However, we need to be prepared and ready to respond should that need develop. Once FEMA and the American Red Cross, as well as insurance policies, have completed their responsibilities, OWC will join in to assist as much as possible to fill in the gaps the other agencies leave behind. Should such disasters occur, district governors are asked to assess the situation in their district and file a report with the Foundation requesting assistance. The Trustees will then review the requests and approve assistance to the extent that funds are available. Only through the generous support of caring Ruritans like you, will we be sure that adequate funds are available to provide disaster assistance should it be needed. Therefore, we sincerely ask you and your clubs to remember OWC and consider a donation this year. All donations for this purpose should be marked for OWC. Individuals are reminded that donations to OWC and the Foundation are income tax exempt under our 501(c)(3) Internal Revenue Service designation. We thank you in advance for your support and consideration.

Your Ruritan Foundation Trustees met in mid-April for their annual review and distribution of funds for the Build Your Dollar and Scholarship Grant Programs. I'm pleased to report that this year, we awarded \$250 to each of the 356 qualifying clubs, who submitted their \$300 deposits and required applications. This will equate to a \$550 scholarship for these clubs, a \$15 increase over last year. In addition, we awarded 30 Scholarship Grants (29 Regular and 1 Non-Traditional) of \$600 each. The good news is that this represents 10 more Scholarship Grants than awarded last year. Unfortunately, there were still many more well deserving applicants that did not receive scholarship grants. Our ability to provide educational assistance is limited to the revenue we generate from our corpus (fund base or principle), which currently is insufficient

to generate the revenue necessary to meet all of our demand or requests. Ruritan National Foundation has several programs in place to encourage and assist our

## Ruritan National Foundation News

membership (and friends) in supporting our Foundation. Our newest fund raising program, the “\$\$\$Million Dollar Club\$\$\$” has now contributed over \$45,000. We are looking forward to additional participants joining this program. This is an easy way to get started in making an annual contribution to the Foundation. It is our goal to get more and more Ruritans consistently involved in supporting and contributing to the Foundation on an annual basis. If we could get just 25% of all Ruritans contributing \$100 per year, we would bring in an additional \$750,000 towards our corpus annually and be able to double our current corpus in just five years. This is a big challenge but, also a very reasonable goal. Only through your continuous support will we be able to reach out and provide educational assistance to the many students who desperately need our help.

I personally want to thank those who have signed up to join us on this year's Foundation Bahamas Cruise in September. This year's cruise will replace our traditional Foundation Weekend. It will be a 4 day - 5 night cruise departing Charleston, S.C. on September 10, 2012, and returning September 15, 2012. We have had a very good response and look forward to what is certain to be a fun and exciting event.

Finally, we want to again remind all Ruritans that you are also valued members of the Foundation. We need your support and involvement to be successful in achieving our goals. We ask and encourage each of you and your clubs to kindly consider a gift to the Foundation, whether it is to the Foundation Scholarship Program or OWC Program. Many clubs have already informed us of their intentions to hold “special” fundraisers this year with all proceeds being ear-marked for the Foundation. To those clubs and the many Ruritans that have faithfully supported the Ruritan National Foundation in the past and all of those that will in the future, I extend my sincerest “Thank You!!!”

Yours in Ruritan Service,

“Cleve” Wright  
2012 Foundation President

# ***Resolution Proclaiming May as Ruritan Awareness Month in Shenandoah County***

Rockingham Lt. Governor  
Lori Ryan (pictured above)  
took it upon herself to write the  
resolution (pictured right) for the  
Shenandoah County Supervisors  
meeting in April. After reading the  
resolution, the board unanimously  
approved.

Also in the picture above (l-r) are Steven A. Baker, Zone 4 Governor and **Forestville-Quicksburg** (VA) club member Dick Neese, Chair Dr. Helsley, Vice Chair and **Maur-Brook-Olive** (VA) club member Dennis Morris, and Sharon Baroncelli.

If your club, zone, or district joined in the celebration of Ruritan Awareness Month in May send pictures of the activities to the Ruritan magazine (before August 1) for inclusion in the fall edition.

Ruritans across the country were encouraged to conduct special projects to serve others and bring awareness in their communities for the month of May.

Examples of celebration activities were to present Rudy Bears to local police and fire departments, contact the media to inform of club's service projects, make state and local government officials associate members, hold a community food drive, distribute Ruritan brochures, present Ruritan Forever membership to honor Ruritans for their service, and request proclamations from state senators, governors, mayors, board of supervisors, etc.

# Camp Creek Club Dedicates a Memorial Stone

*Camp Creek (TN) Ruritan Club was featured in the news for dedicating a memorial stone worth \$10,000 to those who died in April 2011 due to the devastating tornadoes. See article below.*

Last April 27 and 28, two EF-3 tornadoes claimed the lives of eight people in Greene and Washington counties near Camp Creek. The tornadoes damaged hundreds of homes and set off a rebuilding process that is still going to this day.

The Camp Creek Ruritan Club dedicated a memorial stone worth \$10,000 to honor those who died. The Greene County Board of Education voted unanimously to deed property for the memorial which sits right next to the Camp Creek Elementary School, to the organization.

The club said the memorial will stand as a

powerful symbol in the town.

"We wanted to close out the tornadoes and bring a new future in," said Club President Donald Mace. The club has helped rebuild over 100 buildings in the community.

The memorial holds the names of those who died during the storms.

After the memorial service, ground breaking of the Camp Creek Ruritan Memorial Building took place.

# Zuni Youth Member Writes an Essay on Ruritan

The letter below was written by **Zuni** (VA) Ruritan Club Youth member Lauren Arrington. The youth must write an essay about Ruritan to qualify for a scholarship. Lauren was the winner of the essay contest.

*The word "Ruritan" has been mentioned many times in our community, but I never really knew what the true meaning behind the word was. It has taken hands on learning and experiences to uncover the true definition of a Ruritan. I realized through the chicken dinner fundraiser that the purpose of a Ruritan club is to solely give back to the community.*

*Growing up, I remember my parents and grandparents purchasing different dinners several times a year. Whether it was chicken or pork, they were always packaged in white styrofoam containers and distributed by our local Ruritans. As I sat in church, I would also hear Ruritan members announcing the sale of these wonderful plates. Therefore, my perception growing up has always been that the Ruritans do "things", but what those "things" were I was not quite sure. However, Mr. Hardison soon ensured me that all the funds coming in are going right back out into the community.*

*Therefore, Ruritan community service is much more than just helping out; it is directly putting all time and effort into projects that will give back and provide for the betterment of our community and the people living in it.*

*Over summer break I was able to volunteer at the Western Tidewater Free Clinic. I have also participated in the Mt. Carmel Food Distribution with my school's BETA club. Through these experiences, I gained the feeling of really helping someone. On that Friday night in March as I prepared green beans and potatoes, I not only saw a successful fundraiser, but also the abundant fellowship of the smiling people who had contributed to the betterment of the community. Through this Ruritan event, I was also able to personally feel the effect of community service. I was helping serve others while accompanied by the most loving and welcoming group of individuals. Altogether, I had the feeling of goodness in my heart when I walked out of that building, as I'm sure every other member of the Ruritan club had. I felt like I had captured the real meaning of a Ruritan and the service involved.*

*Lastly, I would like to express my gratitude toward all things that the Ruritans do. The Ruritans sponsored me to attend Girls State 2011 and have now given me the opportunity to meet many new people and experience the Ruritan community. From these experiences, I have gained a whole new perspective on helping others. I want to get out and provide for the community and the people. Times are hard and we need to give back and help each other just as our Ruritan community has done for many years. The Ruritan community has been a very influential organization who has provided for many throughout their time of operation. I applaud the Ruritans for all that they do to help the community and provide for a better place to live. I hope if my dream to go into medicine comes true, that one day I will be able to give back to the wonderful community that we live in just as the Ruritans have taught me to do today. This experience has been influential both personally and to all others involved.*

# Innovative Service Awards Presented to Three Clubs

National President Phyllis Lewter has awarded Innovative Service Awards to three clubs for the first quarter of 2012. The clubs are **Clarksville** (VA), **Rougemont** (NC), and **Boonsboro** (VA) Ruritan Clubs. The Clarksville Ruritan Club operates the Clarksville Flea Market in a building that was a former supermarket. The flea market has been most successful with \$100,000 going back to their community annually. On Friday nights, the flea market items are pushed aside, the band sets up, and the senior citizens from Clarksville and the surrounding area have a great time at a dance.

The **Rougemont** Ruritan Club holds holiday events for their community. Annually an Easter Parade and Festival is held. After the parade a festival is held that includes live music, egg hunts, face painting, games, and food. Each Fourth of July, an ice cream social, with homemade ice cream and cakes is served to the community at their clubhouse. These annual events are well attended by the community.

*Clarksville (VA) Dance Committee Chair Franklin Dover and Carol Dover are pictured with National President Phyllis Lewter.*

*2011 Rocky Mt.-Durham Governor Jim Sears, 2012 Rocky Mt.-Durham Governor, National President Phyllis Lewter, and 2010 Rocky Mt.-Durham Governor Ron Reid wait on the Rougemont (NC) float for the Easter Parade to begin.*

*The community gathers at the town courtyard for the Rougemont Easter Festival.*

The **Boonsboro** Ruritan Club is recognized for its environmental efforts. Through the efforts of club member Dr. Saami J. Shaibani, the club has begun an Adopt-a-Street Program in Lynchburg, VA. The city of Lynchburg included the club's web address for their Facebook page on each of four Adopt-a-Street signs. This environmental project can also be a tool for recruiting members and notifying the community about club activities.

Innovative Service Awards will be made each quarter of 2012. Send a brief description and photo to [media@ruritan.org](mailto:media@ruritan.org) or mail to Innovative Service Award, Ruritan National, P.O. Box 487, Dublin, VA. 24084.

## Summer Cover Contest Runners-Up

**2ND  
PLACE**

The Ruritan summer cover contest was won by the **Disputanta** (VA) Ruritan Club. The action shot on the cover of this issue shows the group hard at work making a large batch of Brunswick stew. This annual tradition is held by the club to raise funds for club activities. One special note: Holman Britt, the stew master of the event, was a member of the club for 35 years. Holman is pictured in the center. He passed away in December of 2011. Pictured (l-r) are Pete Ryan, Ed Wilkerson, Jimmy Thacker Jr., Holman Britt, Joseph Simmons, and John Mason.

The Publications Committee had no knowledge of the story behind the picture while judging. Committee Chair Karen Palette said, "What an honor for this club to have Mr. Britt on the cover." Other members of the committee include Earl Cook, Linda Melton, non-board members Gail Duncan and Guy Cox.

Second place is a photo of a handicap ramp being built by the **Corapeake** (NC) Ruritan Club. In the picture were Marvin Barnes, Foster Parrish, and Tom Morgan.

**3RD  
PLACE**

**4TH  
PLACE**

**Magnolia** (VA) Ruritan Club came in third place with the action shot of club members preparing Boston butts for their fundraising activity.

**Central Caswell** (NC) Ruritan Club participated in the Caswell County Christmas Parade. This photo came in fourth place. Pictured (l-r) are Nancy Bush, Addie Cook, Maxine Foster, and Sharon Yarbrough.

Environment Committee Chairman Joe Fitzpatrick and youth member Andrew Levering decorate one of three **Great Bridge** (VA) Ruritan Club Adopt-a-Spots with flags for Presidents' Day. Flags are also added for Memorial Day, Flag Day, July 4th, Labor Day, and Veterans' Day. This photo came in fifth place.

## Leasburg (NC) Club Presents Ruritan Forever

**Leasburg** (NC) Ruritan Club along with Beverly, Tyffanie, Lee-Anne, and Diana Berdine surprised National Director John Berdine with a Ruritan Forever endowment at a recent club meeting. The Berdine family purchased the endowment to honor their husband and father. 2002 Past National President Millard Thacker and wife Marty were on hand to present the endowment. Pictured (l-r) are Beverly, Lee-Anne, John and Diana Berdine, and 2002 Past National President Millard Thacker.

## Central Caswell Builds Ramp

**Central Caswell** (NC) Ruritan Club built a ramp for 99 year old Mary Stroud. Stroud was a resident at the Brian Center and was unable to come home until the ramp was built. Pictured working are Bruce Stanfield, Don Bush, and Elmo Talbert hard at work.

**West Iredell** (NC) Ruritan Club members Bobby Bell and Tommy Bell are shown delivering 30 boxes of food to Sharon Elementary School.

## Sandy Ridge Club Awards Scholarships

**Sandy Ridge** (NC) Ruritan Club presented four scholarships to 2012 North Stokes High School graduating seniors in April. After a delicious meal, Stoke County Sheriff Mike Marshall gave an inspirational speech to the seniors. Then the club presented each senior with a Bible. The seniors had the opportunity to introduce themselves and spoke on their future goals. Pictured (l-r) are three of the scholarship winners: Emma McKinney, Ashley Lawson, and Jose Hernandez. ### Marsteller Ruri-Teen's Help Raise Money to Find Cures

**Marsteller** (VA) Middle School Ruri-Teen Club answered the call to be heroes. The club teamed up to volunteer at this year's St. Baldrick's event – to stand in solidarity with kids fighting cancer, but more importantly, to raise money to find cures. The St. Baldrick's Ambassador Kids represent the thousands of kids touched by childhood cancer. Coming from all areas of the country, ages, disease types, and treatment statuses, they are a reminder that childhood cancer doesn't discriminate and that one in five kids diagnosed in the U.S. will not survive. One of the club's members was diagnosed with cancer, so this event became very personal to the club. The club has raised over \$6,000 for a cure. Pictured (l-r) are the club officers Kayla Fyock, Abby Graham, and Brett Shiflet.

### Ohio Clubs Staying Strong

December 11, 2011, marked the 15<sup>th</sup> Anniversary of the **Tri-Valley** (OH) Ruri-Teen Club. While annual

membership has varied from 50 to 75 members, the number of volunteer hours has steadily

increased each year. Members have donated over 60,000 recorded hours to serve their community. Donations of nearly \$70,000 have been made to a multitude of community service projects. Club

Advisor John Furek said, "A true sign of the significance of Tri-Valley Ruri-Teen is the number of former members who are now volunteering in the respective communities. They are definitely changing the world, one little step at a time." A banner was given to the club in recognition of its accomplishments. Pictured are 2012 Zone Governor Dee Brown, Club President Hailey Jenkins, North Muskingum Club President Max Hittle, and Club Advisor John Furek.

**Washington** (OH) Ruritan Club named its service scholarship after club members Marion and Vera Rummell at a recent club meeting. A proclamation was read citing Marion's leadership and service to the community. Marion is a charter

member and has 34 years of perfect attendance.

The highlight of the evening was four scholarships awarded to deserving students. Pictured (l-r) are Vera Rummell, Marion Rummell, Brandi Biddle, Alex Schaeffer, Greg Margida, and Adam George.

## Mt. Pleasant Collects Denim Used for Insulation

**Mt. Pleasant** (MD) Ruritan Club's Environmental Committee Chair Trevella Foster is shown delivering 150 pairs of jeans to the Frederick, Maryland Habitat for Humanity. The denim is converted to its fluffy cotton state, treated to become fire and mold resistant, and then made into sheets of insulation for use in Habitat homes. It takes 500 pairs of jeans to insulate one house. The Frederick office collected over 2500 pairs of jeans in two months that culminated on Earth Day. The club also donated money to help defray the cost of shipping the jeans.

tered. They painted a picture of a rural area with party line telephone systems, \$1 per hour minimum wage, and 20 cents per gallon gas. The need for service, however, is as great now as it was 60 years ago, and over the years the Bonsack/Blue Ridge club has met that need again and again. Advances in technology and increases in population have

only challenged club members to find new ways to be of assistance.

During the meeting, member Charles Wimmer was made an honorary member and letters of appreciation were presented to two area churches who have partnered with the club over the years to better serve the community – the Bonsack Baptist Church and the Bonsack United Methodist Church. The Rev. Tim Tate of the Methodist church also presided over a memorial service for members who had passed away in the past 60 years, including 1982 Ruritan National President Jim “Corky” Rader.

Each service committee of the club decorated tables with memorabilia from projects and committee chairs spoke briefly about service performed in the community. Scot Finley, minister to senior adults at the Bonsack Baptist Church, also congratulated the club on a long partnership providing for the area food bank housed at the church.
