## Message From 2018 National President Guy Cox

### I AM . . . RURITAN ! WE ARE . . . RURITANS !

And boy do we have a lot to be thankful for, me in particular. I first want to thank God for this opportunity to possibly make some impact with our organization over the next year.

I would also like to thank you for electing me. It is an immense honor to be standing here before you while following in the footsteps of

some of the greatest men and women in Ruritan.

I want to thank all of the Ruritan clubs and districts for all of the invitations they have given Linda and me to share their celebrations during this year.

I am so blessed to have lived long enough to have my hair turn gray and to have my youthful laughs be forever etched into deep grooves on my face.

So many have never laughed, and so many have died before their hair could turn silver.

One of many honors that I had this year was the re-dedication of the West Virginia obelisk at Valley Forge. Past National President Jerome Rodes from Lower West Virginia worked tirelessly to get funding and organize this event.

While attending the Foundation Weekend in Galax this fall, I was able to share Past President Danny's pin with a couple of boys who gave the Boy Scout salute while saying the Pledge of Allegiance with the rest of us. Past Foundation President Pat Davis called later to tell me that they had decided to join Ruritan.

When we say that all you have to do is "Just Ask" in order to increase your membership, we mean that.

Be strong enough to stand alone, smart enough to know when you need help, and brave enough to ask for it.

We must "grow" so Ruritan does not "go" from our communities and we can do that.

During the middle of August, we traveled to the Sutherland Community Ruritan Club in Iowa to celebrate their 50<sup>th</sup> Anniversary.

A shocking occurrence happened later in the year when we were notified that one of their Ruritan members lost his wife in the shooting that occurred in Las Vegas during the Jason Aldean concert.

That was one of the many occasions when the faithful members of Ruritan were asked for prayers and possible financial assistance for our fellow member.

Another heart breaker during last year was the loss of National Director Betty Moore.

We all want to remember her and one way the Foundation is wanting to honor her is by having your district dedicate a fundraiser toward building a fund to support a scholarship dedicated in her name.

These kinds of activities point Ruritan towards a future of growth by staying true to the goals for which Ruritan stands, things I am especially interested in during my tenure as President.

For instance, this year we are trying something new for Ruritan.

We want the new National Directors to have an understanding of what their part of the Ruritan experience is going to be like from the very beginning.

So, we had training for all of the candidates here at the convention rather than waiting until later in the spring.

New National Directors will now be able to better represent Ruritan National at their assigned districts during the first part of the year.

We will also bring these first-year National Directors into the National Office for additional training in March.

Additionally, our first National Board meeting will be held during Founders' Day in Holland this year to celebrate the 90<sup>th</sup> year of Ruritan.

We want to thank the Holland Ruritan Club and the Holland District for all of the special plans that they are making to allow this new meeting at our founders' location.

Special provisions are being made at the hotel and the Holland clubhouse for this meeting.

I also want to thank those Ruritan clubs and districts who contributed toward the Summer Leadership Conference to make it a special learning experience. This was an outstanding conference and much was learned about Ruritan and ourselves.

We learned that we could start a new club with as few as three or four citizens attending the first meeting.

When the second meeting occurs, if they have brought a friend or two with them, that will give you eight to ten individuals that are interested in starting a

On the second row (l-r) are oldest son Michael and his wife Kelly with their daughter Rebecca Cox. In the front row (l-r) are First Lady Linda and President Guy Cox with youngest son Darrin Cox.

Ruritan club in their community.

It also means that you have enough people to fill the offices of a new Ruritan club. O.H. Bobbitt and Betty Moore started a new club, the Brookneal 21<sup>th</sup> Century Club, by thinking outside the book.

We need that kind of leadership to continue growing Ruritan and doing what is right for our communities. I commend them for that action. We could and have also used skype for committee meetings, foundation meetings, and even Board meetings where appropriate.

You may now open the small envelope located in front of you at your table. This is the pin that I want to present to you. This pin was designed by Norman O'Dell, our friend from Tennessee.

You will notice that the pin is dominated in the center with the monument that is located in Holland, Virginia, and is dedicated to our beginning in 1928. Below it is the number 90 which is to represent this coming year being the 90<sup>th</sup> year of Ruritan and will be celebrated in Hampton, VA.

Around the monument and above it are the words "Return To Our Roots." Many of us feel that Ruritan has lost something along these 90 years and we need to return to the original roots that our organization was based on. We will strive to do that this year.

Many clubs do not report all of the wonderful things that they are doing for their communities through our community service projects.

We are to report these services each quarter to our district governor who will report those services to Ruritan National.

Many of our clubs are not doing this.

They are still doing the work but do not want to spend the time to report their work.

We, as an individual and as a club, need to advertise all of the great things that we are doing for our communities.

It is not a brag, it is just a fact: a fact that will help with recruitment.

You may not want an extra pat on the back, but people need to know what it is that your group is doing because your activities advertise not only your club, but also Ruritan as a whole.

The olive leaves located on the sides of the pin are to represent the peace that we should be sharing with the world.

We hear of the many criminal acts that are occurring everyday within our world.

We must learn to share the peace we find with our Ruritan friends with other individuals we have contact with while sharing the love of Ruritan with others.

The ribbon near the bottom says "Sharing Is Caring," that is what all Ruritan clubs do.

We share the funds that we earn from a fundraiser with members of our communities that have a need for assistance.

We share our funds with the fire department, police department, hospitals, and other organizations.

We share by providing Rudy Bears to these organizations to give to young children and sometimes to the elderly in nursing homes.

Please continue doing that again this year.

We share our time working with youth groups such as scouts and 4-H, giving of our time while helping to instruct and educate them.

We share our funds by giving scholarships to local students that are hard working and well deserving.

The assistance that they receive from us enables these students to further their education.

We share our time to assist veterans and senior citizens, reading for students at schools, recycling projects .....the list is endless.

If you want God to bless you and your Ruritan club, give of yourself, your time, your finances, and all that you have.

We share our finances every year with the Ruritan National Foundation through the Birthday Fund, Tom Downing Fellow Awards, Build Your Dollar Scholarships, Operation We Care, etc.

How many of us give of ourselves through blood donations?

By sharing our blood through these donations, we give of our life to save others.

There are so many more ways that we share with others and give of ourselves, our time, and our finances to assist others less fortunate than ourselves.

We do not need a reason to help people. You just need a caring heart. Ruritan's will always care for their fellow man and share with others.

We do make a difference with our communities and we should be proud of all of this service.

(I now want to introduce your new First Lady Linda who is going to speak about her project and how we can continue to give to others, this time our youth.)

Thank you, Linda, helping these homeless children will be a large community service project which will help your club when you report these hours and funds that your club has donated.

We are interested in how many hours and dollars you have donated for this cause. We are asking you to report those hours to Ruritan National and we will report to you at next year's convention.

What Linda is suggesting is definitely something that we can accomplish because we are Ruritans,

Ruritans are local friends, neighbors, business people, and students all working together to make their community a better place in which to live, work,

*continued on page 5*

and raise their families.

But more important, Ruritans are people helping people. Whether they are ten years old or ninety years old, we're all together in the same community and helping just one community member helps us all.

Ruritans want YOU to be the best that you can possibly be, and share the many good opportunities in life.

That's the goal of having a Ruritan club in your community.

YOU make a difference, because you care! You ARE important! You became a RURITAN!

It is hard work and time consuming when someone volunteers as a Ruritan, however, working side-by-side with other Ruritan members builds relationships that enrich our lives.

These moments of fellowship and service benefit all individuals that are involved.

Remember, Ruritan clubs are made up of volunteers.

When we take up our cross, it is a volunteer thing, a deliberate cross that we decide to do.

When we fail to follow through on our expectations, we lose the interest of those new members and soon their membership.

Most clubs will say that their clubs do not earn money to keep or hoard it for the club.

If that is truly the case, why do many of our clubs have thousands of dollars in our treasury? Why are we not spending this money to grow Ruritan?

It is clear that much of the activity in our world is for monetary profit or applause or recognition, but here is the difference.

People filled with God's spirit seek to be agents of love, hope, and redemption. As we do so, the Holy Spirit is able to glorify Christ through us.

I know that the efforts of your Ruritan club have not gone unnoticed. I have personally seen many Ruritans doing great things and always giving their best to improve life in their communities.

Ruritan needs hope, the hope of growth for the future. I want to work with individuals who are willing to give of themselves to grow this organization.

I want to serve people and that is the initiative that I want to make tonight, to serve and walk among the people of Ruritan.

Not higher than you but right beside you. You may see me serving food at a Ruritan dinner or clearing the table after you have eaten your dinner. That is what a good Ruritan does.

We are not afraid to get our hands dirty. Let me stand beside the person who makes things happen. I am perfectly willing to do that.

As an officer of Ruritan National, we need to be willing to give of ourselves as the members of this great

organization gave of themselves every day working to help others.

We have got to let people know that we care about them and that starts with us, the officers of Ruritan National. We need to lead by example.

The position that we hold as elected officials in this organization is because of the faith others have in us. Let's make those individuals proud of what we are doing for the good of all Ruritans.

We need to show our support and that we do care for others and are willing to work for them and with them. Please, remember one thing, "People do not care how much you know, until they know how much you care."

We have been told by a "wise old man" (O. H. Bobbitt) to "Think outside the book," and "To be the change...Not the conversation!" What was good for Ruritan yesterday is not necessarily good for Ruritan today !!!

The club meeting format in the handbook is a guideline for us, but clubs can conduct their meetings in a way to make their clubs successful. We need to focus on the club's community involvement and projects that they do. Clubs need to do a self-evaluation within their community to make sure they know what is needed by that community. We should be asking, "What can Ruritan do for your community?" In the terms of leadership, we need to encourage members to take a leadership role in everything that they do in Ruritan. Teamwork is the ability to work together toward a common vision.

It is the ability to direct individual accomplishment toward organizational objectives. It is the fuel that allows common people to attain uncommon results. Teamwork makes the dream work.

Henry Ford once said, "Coming together is a beginning, keeping together is progress, and working together is success." We are all involved in this journey called life. We must keep an eye out for one another and make an extra effort to encourage one another. Each of us is a vital thread in another person's tapestry. Our lives are woven together for a reason. One of the best things to hold onto in this world is a FRIEND. Wise words from National Director Susan Greisz's dad --- "The tender loving care of human beings will never become obsolete. As you grow older you will discover that you have two hands.....one for helping yourself and the other for helping others." A note on the wall of the Willoway Complex where we stayed in Sutherland, Iowa reads "Vision without action is merely a dream, action without vision just passes the time, and vision with action can change the world." You hold a wealth of people sharing; this is Ruritan . . . people caring!

Let's change the world!!!!!!

### Grow Our Organization - Serve More People

It seems like only a few days ago we returned from a great convention in Charleston, S.C. The convention was well attended and the delegates elected new officers and directors and made important changes to the bylaws of Ruritan. See

the convention recap beginning on page seven of this issue. Scattered throughout the magazine are listings of the awards earned by hard-working Ruritan clubs and individuals at the convention. Look for your club and members in the yellow highlighted sections throughout this issue.

One of the most important things the delegates did at this convention was to approve a bylaws change that will hopefully allow us to keep many of the members that we lose each year. The delegates overwhelmingly passed the affiliate membership. This membership category is not available to current members of Ruritan. Members who wish to remain connected to their local club should continue using the Associate membership. This category is only for members who have dropped from the rolls of Ruritan and have not joined another club or members that belonged to clubs that were dropped from the rolls.

We need to embrace new categories of membership. We know that the lifeblood of Ruritan is our active member category. Our hope is that by allowing us to retain members through alternative memberships we can continue to provide service to our active members and avoid frequent dues increases while maintaining relationships with those members who can't serve as active members in Ruritan clubs. Alternative membership types like the Associate

Membership, Ruritan Forever (see page 21), and others continue to grow as our active membership declines. They already provide support for our clubs and members and help keep your dues lower.

The bottom line is that we need to focus our attention on membership every day. The growth and development committee recently made changes to one of our incentive programs that supports the Ruritan Forever program. The wanted program has been modified so that winners receive a Ruritan Forever membership for recruiting (see page 12).

If you look at the statistics we currently have just under 1000 Ruritan clubs. Over 200 of those clubs are under charter strength of 16 members. We realize that many of the under charter strength clubs still do amazing things in local communities. However, what if all those clubs had more members? I believe they could do more of what we are all about, which is providing service to people in need at the local level.

Our focus should be recruiting new members into our existing clubs, strengthening our under charter strength clubs, and looking every day for new communities to build a Ruritan club.

So many exciting things are happening. We have a great new first lady's program (see page 20). We have been able to negotiate a reduction in shipping charges from our supplier of Ruritan promotional merchandise (see page 16), our youth camp is in the planning stages (see page 18), our Foundation celebrates 50 years (see page 11), and last but not least we celebrate 90 years of serving communities as an organization (see page 15).

Please ask your friends and neighbors to be a part of your club and help us grow our organization and serve more people.

# 2018 Charleston National Convention Recap

The 2018 Ruritan National Convention held in Charleston, SC was a memorable, informational, and educational convention. National officers were elected and installed, awards were presented, donations were given, business was conducted, and Ruritans enjoyed fellowship.

*2018 Peaks of Otter District Secretary Carol Tyler carries the torch with 2017 National President Danny Privott in memory of Past National Director Betty Moore.*

Conventions activities started on Wednesday, January 17, with the opening of the exhibits that included the Ruritan Foundation Silent Auction and Shumsky's, our Ruritan supply partner. On Thursday morning, President Elect Guy Cox led the training of the 2018 Ruritan Governors. The convention officially opened on Thursday evening with the Vespers-Opening Dinner. The memorial service was led by Ronald Tomlin, Zone Governor from the Peaks of Otter District, and a flag ceremony was presented by 1978 National President Bobby Wrenn.

Steve Siemens conducted the Vespers Service as well as a workshop during the convention. The evening concluded with the President's Reception.

Friday's activities began with morning workshops with many great topics such as: Lost Charleston: The Story of how Charleston Became America's Best Preserved Historic City, The ALS Association of North Carolina,

Funding Your Committee Service Projects, and many others. The Friday morning business session was held and reports were given, candidates made speeches, donations of Rudy Bears were made to the North Charleston Police and Fire Departments, and The Rudy Youth of the Year Award for 2017 was presented to Madison Kelly, a member of the Mount Crawford Ruritan Club and the Turner-Ashby Ruri-Teen Club in the Rockingham District. Madison spent over 800 hours on club projects, has served as committee chair, and President of the Turner Ashby Ruri-Teen Club, as well as been very active in her regular club. The Ruri-Teen of the Year Award was presented to Sarah Birkholz from the South Stokes Ruri-Teen Club in the Piedmont District. Sarah has served as club president

and as a committee chair for two committees. She completed 10 projects and spent 160 hours on club projects. Additionally, she plays volleyball and softball for her high school and participates in 4-H, FFA, and the Beta Club. The Ruritan of the Year for 2017 is Katharine Allen of the Rewastico Creek Club in the Delmarva-NJ District. Katharine has served as her club president, vice president, and secretary for over 20 years. She has been a zone governor for 20 years and served as district secretary. Katharine has spent 800 hours on community service projects and has completed 62 club projects. She is active in her church, the local Garden Club, and the Farm and Home Show. Friday afternoon activities included the First Lady's Luncheon where First Lady Linda Privott presented a check to the ALS Chapter of North Carolina and to the Jim Catfish Hunter Foundation. The DRM's were recognized for organizing new clubs and guest speaker Jane Herlong entertained the crowd with an inspirational message. Friday afternoon continued with voting and attendees taking the time to visit downtown Charleston. The evening concluded with the

Foundation 50<sup>th</sup> Anniversary Celebration and live auction.

Saturday began with workshops in the morning followed by the second business meeting, a special afternoon workshop, and the Installation Banquet. 2018 National President Clinton "Guy" Cox, President Elect Larry Cassell, National Treasurer David Thompson, seven three-years National Directors (Dennis Bagnell, Larry Bowman, Lynn Fillers, Cassandra Flanagan, Edward "Ed" Hicks, Donna Jo Poulton, and Timothy Spittler), and one two-year National Director (Robin Davenport) was installed. Jayson Duncan was installed as Foundation President and Graham Bryant as Foundation Trustee. The evening ended with a fantastic performance by Rocky Hock Opry.

# Delegates Approve Bylaw Amendments

Delegates to the 2018 Ruritan National Convention in Charleston SC approved three amendments to the national bylaws.

**The first amendment to the national bylaws** calls for ARTICLE III, Membership/Members, Section 3. Classifications. Be amended by adding the following after item "G".

H. Affiliate. 1. Ruritan Affiliate Members shall be comprised solely of members who have dropped from a local Club but want to remain affiliated with Ruritan. Affiliate members will not be associated with any Club or District. 2. The purpose of Affiliate Membership is to allow members to maintain contact with Ruritan and continue to support this organization. Affiliate members can choose to change to a regular Club member at any time upon approval of a local Club.

This bylaws amendment creates a new club – Ruritan Affiliate Club – with members who are not connected to any other club or district. The idea is to capture Ruritan members who have dropped from existing clubs by inviting them to remain as an affiliate member in order to maintain them in the Ruritan family.

For example some of the members in the net loss of 848 members in 2016 (at a cost of \$37,312) might have been preserved as affiliate members. Anyone who drops from Ruritan will be contacted by email or mail soon after leaving the organization and offered the option to become an affiliate member.

*NOTE: Club secretaries should be careful to note the deceased dates of any members who have died, rather than just dropping them, so we don't inadvertently send correspondence to their homes.*

**The second national bylaws amendment** that passed approved Article V, Officers, be amended by striking text and replacing text as outlined below: Section 1. Elected Officers. Be amended by striking, "The elected officers of Ruritan National shall be a president, a president-elect, a secretary, a treasurer, and twenty-one national directors."

Article V, Officers, Section 3. Term of Office. A. President. ~~"Shall be elected annually in a manner prescribed in these bylaws and hold office for one (1) year or until a successor is elected and installed."~~

Article V, Section 3. Term of Office. A. President. Strike all and replace with, "The President-Elect after completing their term, shall be installed as President for a term of one (1) year unless otherwise prescribed in these bylaws."

Article V, Officers, Section 4. Vacancy in Office. Be amended by adding, "In the event of a vacancy of the office of President-Elect, a special election for President will be held at the next National Convention"

This was a housekeeping measure for Sections 1 & 3 and to address the issue of how to fill the untimely vacancy of the President-Elect. Since we do not elect a President but install the President-Elect into the office of President, we would need a special election for the President at the next National Convention.

**The third national bylaws amendment** that was approved references Article V, Section 3E - National Directors Which currently reads, "Twenty-one directors will be elected for a three (3) year term. Seven (7) will be elected for a full term each year with no more than two (2) elected for full terms from the same state in any one year. No director who has completed a full three (3) year term will be eligible for re-election until a lapse of one (1) year." Strike the last sentence from Article V, Section 3E. National Directors. "No director who has completed a full three (3) year term will be eligible for re-election until a lapse of one (1) year."

This amendment brings consistency to the Bylaws regarding the eligibility for re-election of our National Treasurer, National Secretary and National Directors.

**NOTE: If you have youth under age 18 in your pictures Ruritan National requires that you also send the appropriate signed permission forms for their photographs to be published. If you need a copy of the standard Ruritan "photo consent form" please contact our office or check the Ruritan National website.**

## Message From 2018 Foundation President Jayson Duncan

# Happy 50<sup>th</sup> Birthday to the Ruritan National Foundation

At the National Convention in 1968, the members voted to start the Ruritan National Foundation. We have spent the past 50 years giving scholarships and grants as our way of community service. The Foundation will continue this journey with your help and support. The Foundation would like to say

“Thank You” for your support in the past and in the future.

As part of the birthday celebration, the Foundation is offering a beautiful 50<sup>th</sup> anniversary pin (pictured on the right) in exchange for a \$50 donation. This promotion will be limited to this year so contact the Ruritan National Office, your District Promotion Chair, a Foundation Trustee or go to the Ruritan National website.

Your Foundation Trustees are also asking each club to become a \$10 per member “Birthday Club.” You will receive a plaque at your district convention and you can have your donation added to a permanent fund of your choice. This is an opportunity for your club to give back to the Foundation.

We continue to encourage clubs to give the Tom Downing Fellow Award to club or community members who have gone above and beyond to make your community a better place to live. This award cost \$500 and honors a recipient with the highest honor Ruritans can give.

The Trustees are happy to announce that if your club participated in the Build Your Dollar program during 2017, you will receive a \$600 check when you send in the name of your scholarship winner. In order to receive your \$600, your club representative will need

to complete the one-page Build Your Dollar Claim Form and submit it to the Foundation by June 30, 2018. To participate next year, your club must make a deposit of \$300 in order to reserve a Build Your Dollar award for your club’s scholarship recipient. Your club’s check must

be accompanied by the Build Your Dollar Deposit Form and postmarked on or before October 1, 2018, for your club to be eligible.

The Ruritan National website has all the forms you will need to work donate and apply for all the Foundation programs. I encourage you to contact your District Foundation leaders, your Foundation Trustees, or the National Office for information, questions, or programs on the Foundation. Pictured on the left is Fran Bristow receiving a Tom Downing Fellow Award and both Fran and Jimmy Bristow receiving a 50<sup>th</sup> anniversary pin from Ruritan Foundation President Jayson Duncan. Past National Director Joe Jaynes and current National Director Glen Broadwater received Tom Downing Fellow Awards at the National Convention in Charleston.

# Ruritan WANTED Prizes Now Include Lifetime Membership

For the sixth year, Ruritan will continue the WANTED contest - a way for you to bring members into Ruritan and qualify for prize drawings. A drawing will be held at the end of each quarter in 2018 with three prizes. The awards will be a Ruritan Forever lifetime membership for each name drawn (\$600 value). Three names will be drawn each quarter.

*Should the winner already have a Ruritan Forever membership, the winner may either use the award for membership in a second club, transfer the Ruritan Forever membership to another person, or choose to take a \$300 cash award.*

The new members brought in must be full, associate, or youth in a regular Ruritan club. Participants who bring in more than one member will get exponentially more chances at the quarterly drawing. For example – if you bring in one member you get one chance.

However two members gets you two chances plus the original one chance. Three members gives you three chances, PLUS two chances, plus the original one chance – for a total of **six chances!** Bring in a member at least five years younger than you and earn an additional five chances.

You can print your own Ruritan WANTED money from the Ruritan National website.

If you are not using the WANTED money entry form, the member bringing in the new members must send in the following information for each chance and the new member will be confirmed through Ruritan membership records: sponsoring member's name, club, district, and phone number as well as the new member's name and status (i.e. full, associate, or youth). If you want the extra chances for recruiting a member at least five years younger than you are – be sure and include your year of birth and your new member's year of birth.

Mail each entry to:

Ruritan National Wanted Program, P.O. Box 487, Dublin, VA 24084.

## Plan to Attend the Summer Leadership Conference

All 2018 Ruritan District Lieutenant Governors should plan to attend the 2018 Summer Leadership Conference in Dublin, VA at the New River Community College on June 14-16, 2018.

2018 President Elect Larry Cassell would also like to encourage any member of your district cabinet to attend this conference for a nominal fee. One area of concern for all Ruritan members is the growth of the organization. We will have some "experts" that have built Ruritan membership and Ruritan clubs and they will give some useful advice on how you can build your clubs and districts. President Elect Larry and the Leadership Committee are planning the training around the theme: *LET'S GET TALKED ABOUT*. There will be classes that will benefit all Ruritans.

The conference gives Ruritan leaders the opportunity to learn more about their responsibilities, share ideas, express concerns, and plan for the future of the organization. It also provides an opportunity for leaders to learn about the responsibilities needed to accomplish a higher position they may wish to seek and encourages them to move up in their leadership roles. Information on the conference's content and cost will be sent to 2018 District Governors and Lt. Governors later this spring. Lodging rooms will be blocked for this conference at the Dublin area hotels.

The conference brings Ruritan leaders together to discuss concerns and plan for the future of the organization. Attendees will also learn the latest information about Ruritan programs and procedures. 2018 District Governors are also invited to attend this training with the stipulation that expenses will be reimbursed for the lodging cost of one person and one travel per district, plus food at the conference. Allowances will be made for distance and gender-related exceptions. District officers should also note that 2018 District Lt. Governors (according to policy, only if you become the incoming District Governor for 2019) and the 2018 District Governors will be paid ½ of their expenses to the 2019 National Convention in Hampton, VA provided the following are met:

1. They attend the June 2018 Summer Leadership Conference (unless excused in writing by the National President);
2. They attend the Governors' Training at the 2019 National Convention;
3. They attend substantially all meetings at the 2019 National Convention;
4. Form R-35 must be received by Ruritan National no later than November 10 and Form R-36 must be received by Ruritan National no later than February 10; and
5. All expense vouchers must be submitted within 90 days after the 2019 National Convention.

**President Elect Larry Cassell has requested that clubs send in ACTION SHOTS of club activities. He will be creating a slide-show for the Summer Leadership Conference. Email photographs to [publications@ruritan.org](mailto:publications@ruritan.org) or mail to: PO Box 487 Dublin, Virginia 24084. Deadline is May 31.**

# 2018 Project Focuses on Homeless Students

## Getting Started

Contact your local school board and set up an appointment with the designated School Attendance Coordinator and/or the appointed "Homeless Liaison." The purpose is to find out if there are programs already in place and if so, how can your club support their program.

You may also find that no support system is available and in this instance, you are free to create your own, based upon need.

After compiling all the information, report back to the club and begin by setting a goal and creating a strategy that the club can support. Check with the school to see what their students need. Again, meet with the Coordinator/Liaison and develop a system that is acceptable for both parties.

## Expenditures for Homeless Students

- Items of clothing: clothing and shoes necessary to participate in physical education classes,
- Student fees that are necessary to participate in the general educational programs,
- Personal school supplies such as backpacks and notebooks,
- Medical and dental (monetary) needs,
- Eyeglasses,
- Stethoscope for nursing classes,
- Pens, pencils, spiral notebooks, erasers, calculators, glue sticks, zippered binders, book bags, etc.,
- Personal hygiene supplies such as towels, washcloths, soap, shampoo, deodorants, combs, nail clippers and files, shaving cream, toothbrushes and toothpaste, acne products, etc.

*The National Center for Homelessness Education (NCHE) supports educators, service providers, parents, community members, and others interested in the education of children and youth experiencing homelessness.*

NCHE HELPLINE: 1-800-308-2145  
<https://nche.ed.gov/>

**There are homeless students in nearly every school system in America. In 2018, First Lady Linda Cox is asking Ruritan Clubs to reach out, through the schools in their communities, to provide assistance to these students in the form of:**

- **Clothing**
- **School Supplies**
- **Eyeglasses**
- **Medical assistance, and more**

## **Purpose of Project**

To encourage homeless students to participate academically and socially in school in order to better their present and future lives and to relieve some of their stress. We want them to know that people within the community care about them. Our goal is to see them succeed.

## Donations of Time by Club Members

Any club members can donate time by:

- Helping pack bags for distribution,
- Shopping for necessary supplies,
- Tutoring after school, and
- Volunteering to read to grade-school children.

## Results of Being Homeless

- Lack of self-esteem
- Poor school attendance
- Poor study habits
- Grades dropping dramatically
- Lack of participation in school activities
- Seclusion
- Lack of self-control (temper)
- Lack of self confidence
- School dropouts
- Emotional issues
- Shunning/shaming due to lack of adequate clothing and/or school supplies

The experiences children have in elementary and middle school affect their readiness and willingness to finish high school and any appropriate post-secondary education, impacting their futures.

Social skills and social networks developed in school provide important supports,

both emotionally and academically, and may help the student finish school even when their lives are difficult.

## Results of a Support System

- Improved grades
- Increase in school attendance
- Positive social interaction
- Positive self-esteem
- Desire to succeed
- Development of social skills
- Pride in themselves and their accomplishments
- A strong sense of community involvement for future endeavors
- A desire to "give back" to those less fortunate
- Ultimate Goal: GRADUATE

# Ruritan Forever

## *A Perpetual Life Plan*

*Protecting and preserving Ruritan  
as a legacy for future generations.*

"Ruritan Forever" is a plan for the payment of **national** dues by members who wish to make a long term investment in Ruritan. The "Ruritan Forever" plan allows a member in good standing to pay \$600 and become a life-time participant of the National Organization. Ruritan National will invest these pre-payments in a special managed fund, transferring the dues quarterly to the business office of Ruritan National. Even after the life participant dies, dues will be transferred quarterly to Ruritan National, thus offering a perpetual memorial to the organization on behalf of the deceased Ruritan.

A "Ruritan Forever" endowment may be purchased by a member in good standing or may be purchased for a member in good standing. A Ruritan Forever endowment may be purchased to honor a non-member provided they are brought into a club as an Associate Member at the same time. In this case the Associate Member's dues would be covered by the \$600 endowment.

The lifetime endowment may also be purchased in

memory of an already deceased Ruritan, ensuring an ongoing contribution to the operation of Ruritan in his or her name. Dues for a living participant must be current through the previous quarter to participate. Ruritan National will administer these prepaid dues in a separate fund with the original amount remaining in perpetuity. Interest on the fund will provide the money paid to Ruritan National for dues.

Upon payment of the fee, the Ruritan will receive a certificate, a lapel pin, and a permanent life participant card. For endowments purchased for a deceased member a special plaque will be provided for the club to present to the deceased member's family. **National** dues increases will have no effect on participants enrolled in the plan, although the purchase price of \$600 for new enrollees may be adjusted over the years as necessary. There will be no special assessments or charges made to Ruritan Forever participants.

Please detach or photocopy this portion if you would like to participate in this endowment plan to secure the future of Ruritan, in your name or in the name of a fellow Ruritan.

### Luray Continues Good Work

Each year **Luray** Ruritan Club recognizes good stewardship of the earth in an award called the Rudy Bear Environmental Award. Environmental Committee Chair Joe Huffman presented a plaque and honorarium to Sheriff Chad Cubbage for his efforts in creating an inmate garden. The club honors one business professional. The Whispering Pines Assisted Living Center on

Leaksville Road was selected for the good work they do every day. Pictured (l-r) are Valley Care Management Randy Atkins, Whispering Pines Administrator Susan Saunders, Luray Club Secretary Irma Housden, and Business and Professions Committee Chair Tim Rocke. The club, along with Rudy Bear, presented dictionaries to grade 3 children at Mt. Carmel Christian Academy and Luray Elementary School. The club has been providing dictionaries to Luray Elementary School for many years and recently added Mount Carmel Christian Academy. Also, five United Methodist Committee on Relief (UMCOR) cleaning kit buckets were filled. Members brought items for flood victims to the club meeting. Robert Stevenson, Luray Club President Dave Naser, and Ron Vickers sorted the items and added them to the church collection site.

## Bridgewater Presents Awards

**Bridgewater** Ruritan Club presented its first "David Evick Fair Volunteer Award" to Linda Vaughan. This award was named after the late David Evick who was a loyal member of the club. Evick's widow Laura and daughter Madison presented the award. Linda is shown working the Fry Shack during the Rockingham County Fair, a major fundraiser for the club. Pictured top right (l-r) are Laura and Madison

Evick, Bridgewater Club member and Fair Association Vice President Ron Williams, Linda Vaughan, and Linda's grandson Peyton.

Harold Good received a pin to celebrate his 55 years of membership in the club. Bridgewater Club President Rick Wampler is shown presenting a certificate of appreciation to Leon Rhodes for serving 18 years as Bridgewater Club Reporter. Rhodes has been a member since 1961 and built the speaker's lectern for the club in 1999. He celebrated his 91<sup>st</sup> birthday at the club meeting. "Birthdays are good for you. The more you have, the longer you live," said Rhodes.

### Armuchee Ruritan Club Refurbishes Amphitheater

As one of its community service projects for 2017, the **Armuchee** Ruritan Club undertook the task of refurbishing the outdoor amphitheater behind the Glenwood Primary School in the Armuchee community. The amphitheater was originally constructed as part of an Eagle Scout project by two local teens, Josh Baker and Chip Cox in 1998. According to Baker, he was responsible for constructing the stage, and Cox installed the 40 benches.

The facility was used extensively by the school until recent years when the wood began to deteriorate. The club was first approached in late 2016 about the possibility of restoring the venue so it could be put back into use. Working with Kenneth Storey at Storey

Lumber Company, the club removed the original stage floor and installed new deck boards and replaced all benches. All wood products were #1 grade Osage Nature Wood treated lumber. The original wooden lattice backdrop was changed to

a vinyl product. Club members donated over 50 hours to the project at a cost of just under \$1,900.

## Bella Brooks Becomes Deep Gap Ruritan Member

*Ruritan National received permission to reprint the article from Sherrie Norris of HCPress.com.*

When 7-year-old Bella Brooks' parents joined **Deep Gap** Ruritan Club last year, it was only natural for her to accompany them to the meetings at the fire department/community center next door. Her presence

became expected at the monthly gatherings, as her youthful interest and energy brightened the spirits of the older members. She became especially close to club president Billie Rogers and decided she wanted to be more involved in the club.

Fast forward to the group's January 11 meeting when Bella, at 7, made history as she was installed as the club's youngest member ever and led the group in its pledge of allegiance at meeting's end. "I'm really happy that Bella has joined Ruritan and hopefully she will invite her friends and their parents, too," said Rogers. "I love having her around and I think it's good for her to be exposed to and learn about the mission of Ruritan." Shelby Earp, Ruritan's Western North Carolina District Youth Coordinator from Hiddenite, made a special trip to the Deep Gap meeting to perform Bella's installation into the club, much to the delight of Bella's parents and fellow club members. Already a community-minded youngster, Bella is a first-grade student at Parkway Elementary School and is involved in the day-to-day activities and chores at her family's de la Cruz Farm in Deep Gap, which includes playing with and feeding the animals. She also enjoys cooking and drawing. Bella

will join her fellow club members in their annual community service projects, including fundraising, assisting with various needs of her neighbors, landscaping projects and more. Her parents said they joined the Ruritan club as a way to "give back to the community and help our neighbors." Bella said she joined the club "because Mommy and Daddy did and I can help, too." Also, at the same meeting, several faithful club members were recognized for perfect attendance. Husband and wife team Johnny and Joan Hampton topped the count with 19 years each of perfect attendance. They were joined by the following: Steve Idol with 18 years; Joyce Rhymer, Loretta Gentry, Leslie Gentry, Sammy Critcher and Gloria Critcher, all with 17 years; Stewart Rhymer, 16 years; Harold Eller, Wayne Davis and Elaine Davis, eight years each; Mary Wallace, seven, Jimmy Hodges, four, and Kathy Watson with two years prefect attendance. When asked about the club and her vision for same in the coming year, Rogers responded, "I really like that our club is small enough to do good for our Deep Gap community, but large enough to step outside our immediate boundaries, too."

In an effort to increase public awareness and club membership, Rogers plans to invite local public servants into the monthly meetings, including pastors and law enforcement officers and others. "We do so much good for the community, but unless you are friends with a member, I don't think that most folks outside Deep Gap even know that we exist," she added. Rogers said that while the club is strong and viable with 32 members currently on the roster, the need for younger members is ever present "to help with the labor and to carry the torch." Bella Brooks, age 7, is pictured with her mother, Bencita Brooks, and Shelby Earp, Ruritan's Western NC Youth Coordinator, who recently installed Bella as the newest and youngest member in the Deep Gap Ruritan Club.
