Volume 83, Winter 2018

Message From 2018 National President Guy Cox

Keep Sharing and Caring

As our time draws nigh to the end of this our year, Linda and I want to express our joy of having the opportunity to serve as your President and First Lady for 2018. As we have visited the many clubs and districts this year celebrating your club achievements and an-

iversaries, we have seen and heard first-hand the many different projects that you have as fundraisers to benefit the needs of your communities. They have been successful, resulting in scholarships you awarded to well-deserving students, some through the assistance of the Foundation as well as scholarships being awarded to students by individual Ruritan clubs. You have also shown what Ruritan stands for by doing projects such as wheelchair ramps, planting flowers in the town square, donating money toward individuals who have lost their homes by fire, contributing toward someone with cancer and other medical bills, etc. You **share** because you **care** for others.

First Lady Linda has been very pleased with the response to her "Homeless Student Project." The need for your continued support is great and very much appreciated. Do not forget to call Chris Pugh at the National Office to inform her about the number of hours and funds that your club dedicated toward this project. Linda wants to report on these numbers at the National Convention.

We all know that growth is one of the main concerns every year. Ruritan clubs take in thousands of new members every year but do not retain those

new members. When you bring them in, put them to work in your clubs by assigning and giving them something of importance to do. Assign someone within the club to mentor those individuals. Let them be the "Welcoming Committee" for anyone who is visiting the club. We even have some clubs that have a waiting list of members that they will not install in their club because they have what they consider "enough members at this time". Why not start a new club in that area with these waiting potential club members? Most clubs would love to have those potential members.

There are a number of bylaws issues on the ballot for this convention. It is your responsibility as a delegate to familiarize yourself with the issues and make an informed decision that best serves your club and members. The bylaws changes are listed on pages 7-9.

There are several items that we have asked members to bring to the National Convention. The Rudy Bears are always donated to the ambulance and rescue squads, fire departments, and police officers. I am also asking members to bring the toiletry items from their hotels and motels where they have stayed to be donated to the homeless veterans in the Hampton area. This is another way we can support our veterans.

Until we see you at the National Convention, please have a good last quarter of your Ruritan year and continue to care for those around you. May God bless and keep you and your Ruritan club through another successful year and for many years to come. Keep on **sharing and caring** for those in need around you.

Message From Executive Director Michael Chrisley

Don't Miss the Convention in Hampton!

We are so thankful for all your hard work in communities this past year. As we approach the holiday season let's continue to do what we do best by remembering those who are not as fortunate as we are. That's easy for Ruritans. It is an extension of what we do all year long.

We are preparing for our annual convention in Hampton, Virginia. I have said it many times and I'll say it again, our conventions are like a big family reunion. Come see all your old friends and make some new ones while we take care of important Ruritan business. We have great entertainment and speakers. There are important bylaws changes and of course we will elect our new leaders. Our convention is sure to motivate, entertain, and inform you. You can find information on our convention activities throughout this issue of Ruritan.

I was fortunate to come to work for Ruritan in August 1980. It is amazing how fast 38 years can go by. I have gained so much from my experiences working for the best community service club in America. I will hold our program of service up to any other program in the industry. We have a dedicated group of volunteers that give tirelessly of themselves to make sure that the local community is served.

I was also fortunate to sign a five-year contract with the board just a couple of years ago. However, time does what it always will and passes quickly. I currently have only 27 months left on this contract. In this issue you will find an advertisement for the

position of Deputy Executive Director. I hope to hire and work with an individual for the next two years or so and create a good candidate for my replacement. One of the things we say all the time is that one of our most important responsibilities is to find and train a potential replacement for ourselves. That is what I hope to do. It is part of a wise move by the board of directors to focus on succession planning with regard to staff. If you are interested in this position please understand it would require you to relocate to the Dublin, Virginia area. It is also not a guarantee that you will be the successor Executive Director, but could be a solid candidate.

In my remarks to the convention delegates every year I always say "any year that there are Ruritan clubs and members serving communities, it is a good year". That is true again this year. If you have read my previous articles you will know that while there are still a significant number of clubs and members serving local communities that there are not as many as there used to be. That continues to be a problem. Early statistical information reveals that this year's membership and club losses are similar to every year in the past 15 or 20 years. Unfortunately we will lose over 800 members net this year ending September 30. An 800 member loss is bad enough when taken alone, when combined with years of similar losses it is exponential. We have to keep our eye on the ball with regard to recruiting new members and building new clubs. It is the most critical issue facing Ruritan. If you need our assistance in any way please ask. We are ready and willing to help your club grow or to help you form a new club.

Message From 2018 Foundation President Jayson Duncan

See Us In Hampton!

Thank you! Thank you!
Thank you for your past and future support of your Foundation. As my five-year term comes to an end, I have seen a lot of improvements on how the Ruritan Foundation operates and how we communicate. We have worked hard to make

the operations of the Foundation as transparent as possible. I hope, after a year of Foundation Blast, you better understand our programs and how they help your clubs. There is still work to do, and programs to be added, but all that the Foundation tries to do is in the best interest of the clubs and its members. As you have ideas, extra money, or just suggestions, please feel free to share these with our Trustees, your District Foundation chair, or the National office staff. We do listen and will act on suggestions.

Our National Convention in Hampton, Virginia, will be the last part of our 50th Anniversary Celebration and your last opportunity to donate for a 50th Anniversary Pin. Be sure to bring donations, money, and enthusiasm on Friday at the silent auction and Friday night at our live auction. This will be the best entertainment in town that night.

For those that did not have the opportunity to come to the Foundation Weekend in Greensboro, I have included pictures of the fellowship that is always had at Ruritan events. Remember to support your Foundation through Permanent Funds, Tom Downing Fellow Awards, Build Your Dollar, Operation We Care, Birthday Club, and other opportunities you are given. Thanks again, for all you do in the name of Ruritan to make your community, your state and our country a better place to live and raise a family because in Ruritan, "We Care, We Share, and We Work. We are Ruritan!"

Nelson Hall Recognized for 61 Year Membership

In 61 years of active membership in the **Effinger** Ruritan Club, Nelson Hall has witnessed, and presided over, a wide spectrum of hard work, good times, and big changes.

Hall joined the Effinger Ruritans in 1957, when the club was just ten years old and he was 26. Married to his wife Gatha for three years by that time, Hall joked, he "had to have a safe haven," referring to the service club whose membership in those days was restricted to men only.

But Hall, a Rockbridge native, said Gatha understood his humor and supported his choice. "She always took part by pitching in with projects and hosting meetings cheerfully over the decades," he recalled.

Much has changed since those days. "You used to have to wear ties and sportcoats to meetings or you were misdressed if you didn't," he recalled. In time, and after much debate, the club chose to extend membership to women. "I've enjoyed having the ladies in the club. They bring a lot of energy, and lots of fun," Hall said. After receiving recognition as a 61-year member, Nelson Hall (center) is flanked by Effinger Club President Gary Hayes and Vice President Jimmy Glenn. To mark the occasion, Hayes presented a custom pin to Hall at the club's annual August picnic at Lake Robertson. (Photo courtesy of Ellen Arthur)

truly needs us now." Biery introduced Cox, the fifth national president from West Virginia. He talked about the upcoming national convention set for Jan. 17-20 in Hampton, Va. His project is to help homeless veterans and he asked those who plan to attend to bring personal-size soap and shampoo to donate for the cause. "As blue-blooded Ruritans, we need to grow; asking still works," said Cox, referring to growing club membership. He told the group about a contest for those who bring in new members, a chance to win a "Ruritan Forever" lifetime membership, along with other prizes. Cox talked about the importance of Ruritan and encouraged members to continue to grow and help others. **Knox** Ruritan Club was represented by past president Jim Ramsey

and current president Zane Ziegler, along with treasurer Mel Albrecht and two other members and guests. Rich Burdon, also from the Washington Club, gave the invocation followed by the singing of "America."

Ruritan Forever

A Perpetual Life Plan

*Protecting and preserving Ruritan
as a legacy for future generations.*

"Ruritan Forever" is a plan for the payment of **national** dues by members who wish to make a long term investment in Ruritan. The "Ruritan Forever" plan allows a member in good standing to pay \$600 and become a life-time participant of the National Organization. Ruritan National will invest these pre-payments in a special managed fund, transferring the dues quarterly to the business office of Ruritan National. Even after the life participant dies, dues will be transferred quarterly to Ruritan National, thus offering a perpetual memorial to the organization on behalf of the deceased Ruritan.

A "Ruritan Forever" endowment may be purchased by a member in good standing or may be purchased for a member in good standing. A Ruritan Forever endowment may be purchased to honor a non-member provided they are brought into a club as an Associate Member at the same time. In this case the Associate Member's dues would be covered by the \$600 endowment.

The lifetime endowment may also be purchased in

memory of an already deceased Ruritan, ensuring an ongoing contribution to the operation of Ruritan in his or her name. Dues for a living participant must be current through the previous quarter to participate. Ruritan National will administer these prepaid dues in a separate fund with the original amount remaining in perpetuity. Interest on the fund will provide the money paid to Ruritan National for dues.

Upon payment of the fee, the Ruritan will receive a certificate, a lapel pin, and a permanent life participant card. For endowments purchased for a deceased member a special plaque will be provided for the club to present to the deceased member's family. **National** dues increases will have no effect on participants enrolled in the plan, although the purchase price of \$600 for new enrollees may be adjusted over the years as necessary. There will be no special assessments or charges made to Ruritan Forever participants.

Please detach or photocopy this portion if you would like to participate in this endowment plan to secure the future of Ruritan, in your name or in the name of a fellow Ruritan.
